MEMBERS/ALTERNATES PRESENT

[Redacted]

ITEM 1: Approval of Minutes

[Redacted] asked if any members present objected to the 8 June 1984 meeting minutes. No objections were noted. The chairman announced approval of the minutes as written.

STAT

STAT

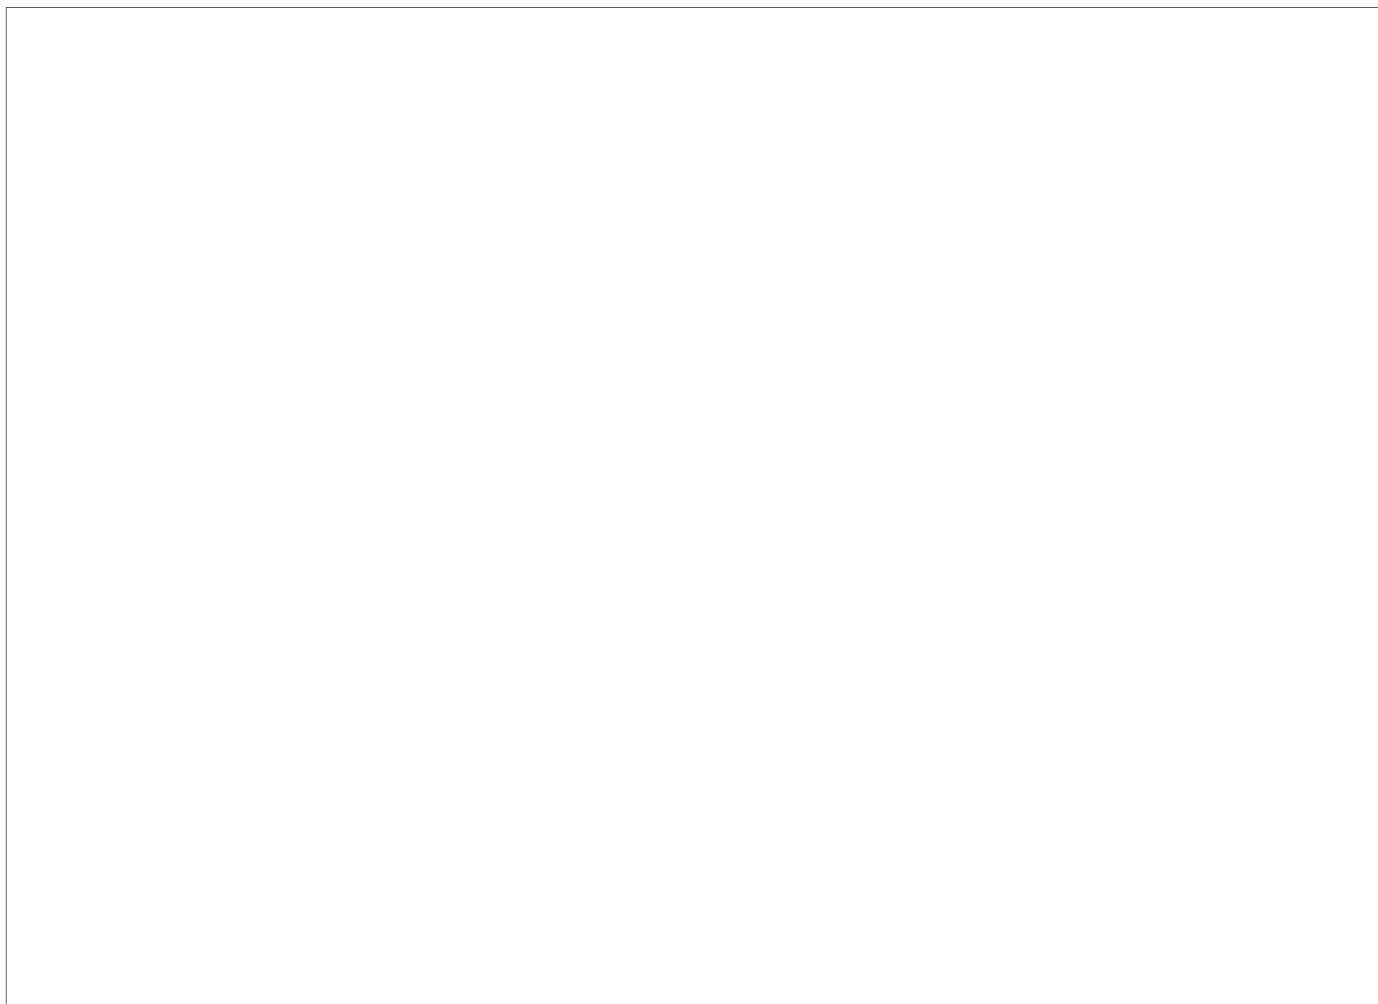

ITEM 2: DCID 1/19 Marking Requirements

[Redacted] advised that [Redacted] at the 13 Jun 84 SECOM meeting asked the Compartmentation Subcommittee members to review DCID 1/19 to determine whether the section on marking requirements should address "Header Sheets". The State Department reported a problem concerning markings for header sheets which immediately preceded the transmission of traffic via Long Distance Xerox (LDX) system.
